Description

The Smith&Nephew Opsite Spray Film Dressing is a transparent and quick drying film which is easy and convenient to apply. It helps to provide protection for dry minor surgical and surface wounds

- Permeable to moisture vapour and air, allowing the surrounding skin to breathe, preventing maceration.
- Size: 100ML
- Skin area can be bathed easily without affecting the dressing or the wound.
- The film stays intact over skin areas that are flexible or mobile such as knuckles.
