

3M Peltor X1 Ear Defenders

Product Images

Description

3M's Peltor X Series Ear Defenders have been built with design, comfort and protection in mind. 3M's Peltor X1 Ear Defenders are designed to provide protection against light industry noise such as grounds maintenance or power drilling. The X1 Ear Defenders feature:

- Slim-line cups for moderate attenuation that meets the needs of most industrial applications
- Lightweight design
- Comfortable, soft ear cushions
- Simple colour coding: green, indicating the first level of attenuation within this range
- SNR 27dB
- Electrically insulated twin headband provides heat dispersion
- ABS plastic cups are rigid, high strength and impact resistant
- TPU soft outer cup coating protects from abrasion and bumps
