

3M Peltor X2 Ear Defenders

Product Images

Description

3M's Peltor X Series Ear Defenders have been built with design, comfort and protection in mind. The Peltor X2 Ear Defenders are designed to provide protection against moderate to high noise levels for example, roadworks or construction

- Slim-line cups for moderate to high attenuation that meets the needs of most industrial applications
- Wide soft ear cushions allows for comfort
- Twin headband design provides heat dispersion
- Internal stainless steel design offer consistent pressure and comfortable fit
- TPU coating protects from abrasion and bumps
- ASB plastic cups are rigid, high strength and impact resistant
- Lightweight design
- Simple colour coding: yellow, indicating moderate to high attenuation
- SNR: 31dB
- Flat headband is electrically insulated making the earmuffs 'dielectric'
