

Uvex Ultravision Clear Goggle with Foam Surround

Product Images

Description

Comfortable, ergonomically designed full vision goggle with unrestricted side visibility provided by 180° panorama lens.

Features:

- Soft face and nose cushioning enables totally airtight and pressure-free fit for extended use.
- Exceptional wearer comfort guaranteed by broad and fully adjustable headband, sophisticated ventilation system and optional anti-fog lens.
- Can be worn over most prescription spectacles comfortably for long periods
- Wide, fully adjustable headband
- Sophisticated indirect ventilation system
- Easy lens replacement
- Panoramic field of vision
- Self-extinguishing foam and flame-resistant plastic for fire protection.

UVEX Supravision HC-AF Coating:

- Lenses coated with Uvex Supravision HC-AF are anti-fog on the inside and extremely scratch resistant on the outside, as well as resistant to chemicals. The nano clean effect ensures that the lenses are very easy to clean and less susceptible to dirt.
- CE approved to EN166 1B 349, EN166 1F 349
