

Perfex Quick Dry Foam Squeegee

Product Images

Description

Perfex Quick Dry Foam Squeegee, a 24" (61cm) twin blade floor squeegee is constructed of neoprene rubber with a durable polymer channel.

Features:

- Lightweight and non-marring
- Flexible blades specifically designed for use on uneven or irregular surfaces
- Excellent for grouted floors, quarry tile, and other hard-to-dry surfaces
- Quickly wipes surfaces dry and nearly streak-free
- Ideal for floor chemical application
- Resistant to water, oil, grease, detergents, sanitizers and solvents
- Wash and rinse clean with warm water
- Not recommended for abrasive surfaces

Recommended for use with PER8800 Adjustable Polymer Handle
