

Deb Kresto Ultra Hand Cleaning Wipes

Product Images

Description

The Deb Kresto Hand Cleaning Wipes are extra-large wipes which combines dibasic esters with ethanol for a highly effective cleansing blend to quickly and safely remove a wide range of adherent contaminants. The Kresto Hand Cleaning Wipes are a skin friendly alternative to turpentine and white spirits

- For mobile use without water in industrial environments
- Tough, extra-large wipes are strong and absorbent and leave no sticky after-feel
- Contain Glycerine to moisturise the skin and improve hydration
- Citrus fragrance leaves the skin smelling fresh
