

Deb Sun Protect Water Resistant SPF30 Suncream

Product Images

Description

The Deb Sun Protect Water Resistant SPF30 Suncream offers skin protections to outdoor workers exposed to UVA & UVB sun rays and to VC rays from some industrial processes. The Sun Protect Water Resistant SPF30 Cream withstands heavy perspiration or immersion in water and does not affect dexterity with handheld tools

- Conforms to European Recommendation for UVA protection
- Quickly and easily absorbed
- Perfume-free and dye-colourant free
- Suitable for face and body
- 100ML
