

Ansell HyFlex Dyneema Gloves - Long

Product Images

Description

The Ansell HyFlex Dyneema Gloves - Long offer a perfect balance of comfort and sure handling with superior cut resistance for the wearer. Made with an innovative yarn structure, the HyFlex Dyneema Gloves offer a high level of cut resistance for a safer use in controlling, assembling and handling applications that involve contact with sharp items. Excellent fit and flexibility are also insured thanks to the PU coating and Lycra liners

- Contains Dyneema for EN level 3 cut resistance
- Lycra, cotton and nylon liner, powdered, with polyurethane palm coating
- EN388: 2003 4342
- EN388: 2016 4342B
- Shorter option also available
