

Cofra Caravaggio Shoes

Product Images

Description

The Cofra Caravaggio Shoes are high quality shoes, made with water repellent leather uppers, and polyamide moisture releasing linings. The Caravaggio Shoes boast high stability due to their varying thickness in the plantar, and non-metallic toe caps

- Air Foot-bed made of EA and fabric, anatomic holed, anti-static
- Breathable, abrasion resistant and moisture absorbing and releasing polyamide linings
- Guarantees high stability thanks to its different thickness in the plantar area
- PU/TPU sole
- Non-metallic TOP RETURN toe cap
- Non-metallic APT plate in the mid sole
- Sizes: 39-47
- S3 SRC
- Conforms to EN ISO 20345
