

Honeywell Polytril Grey Nitrile Coated Gloves

Product Images

Description

Fine knitted general purpose gloves by Honeywell. Polytril™ with nitrile coating for high abrasion resistance and oil impermeability. Used for handling of fine products in a greasy, damp or dirty environment and general handling of building and public works

- White polyamide knitted glove
- Grey oilproof nitrile coating on palm and fingertips
- Elastic knitted wrist
- The tight knit gives the glove good support, limits the penetration of dirt and offers a good dexterity
- The ventilated back improves breathability.
- Nitrile coating provides outstanding abrasion resistance and impermeability to oils.
- Conforms to EN 420-03 EEC, EN 388-4121
