

Justrite Steel Bench Can

Product Images

Description

- Provides an easy means of cleaning small parts in solvent. Place work on spring-loaded, perforated dasher plate, press down and agitate, then release to return dasher to drain position.
- Plated steel dasher is an effective flame arrester.
- Hinged cover minimizes evaporation losses.
- Protected rim reduces the possibility of hand injury.
- Cans are made of sturdy 24-gauge, lead-free coated steel and finished in a tough powder paint for added durability.
- 7-1/2" dasher diameter, 9-3/8" outer diameter x 3-1/4" height
