

Peltec CSW Wrapping Wire

Product Images

Description

The Peltec CSW Wrapping Wire is manufactured under controlled conditions to minimise the bond between the conductor and the insulation, to ensure that a perfect wrap is achieved each time when using a cut, strip and wrap bit. The CSW Wrapping Wire is Tefzel coated and comes wrapped around sturdy plastic spools for longevity and ease of use

- Roll lengths: 250M and 500M
- Gauge: 26 and 30 AWG
- Colours: black, blue, brown, green, grey, orange, purple, red, white and yellow
- Tefzel coated
- Supplied on robust plastic spools
- Minimal bond between conductor and insulation ensures a perfect wrap
- For optimal results use alongside a cut, strip and wrap bit
