

Mascot Maitland Hi-Vis Trousers

Product Images

Description

MASCOT Maitland Safe Light trousers ensure visibility, protection and comfort to wearers. The Maitland Safe Light Trousers feature ergonomically designed trouser legs, which means the fabric and the back of the leg does not bunch up whilst kneeling

- Fluorescent with reflective tapes (Hi-Vis Group Y)
- Durable triple stitched seams on leg and crotch increases durability and prevents tears
- The dark contrast of colour is placed where the clothing is most exposed to dirt
- Adjustable polyester knee pad pockets with insertion of knee pads from the bottom to avoid dirt collection
- Fly with zip, front and back pockets with flap
- Thigh pocket with flap and hidden press studs
- Conforms to EN ISO 20471 – class 2
