

Peltec Cable Clips

Product Images

Description

Peltec Cable Clips are ideal for securing cables and wires to the wall, ceiling or floor. The Peltec Cable Clips are ideal as no tools are required. For use you just simply peel off the backing and the clip will stick to most smooth surfaces including brick and metal

- Quick and simple fixing of electrical cabling
- No tools required just peel off the backing
- Made from rust-resistant galvanised mild steel and enamelled for an attractive finish
- Available for carrying single or multiple cabling up to a maximum capacity of 16mm
