

Perfex Sanitary Polypropylene Shovel

Product Images

Description

Perfex large, square point polypropylene shovel

- Deep bucket capacity
- 1½" diameter handle shaft and extra thick blade for toughness
- One-piece construction eliminates weak points and loose handles often found in two-piece shovels.
- Large 'D' grip for easy handling of hefty loads, even while wearing protective gloves
- 15" blade height, 40" overall length
- USDA and FDA approved materials.
- Available in three colours: red, blue and white
