

QTEK Adhesive Remover Wipes

Product Images

Description

QTEK's Adhesive Remover Wipes are pre-saturated with a general purpose cleaning fluid. The Adhesive Remover Wipes work to remove misprinted adhesives and pastes before they cure and attach themselves to screens or PCBs

- Perforated roll of 100 wipes
- Adhesive remover
- Strong, yet non-destructive cleaning product
- Evaporates quickly
- Ideal accompaniment to in-line cleaning systems where adhesives are dispensed
- 100% polyester
- Pre-saturated using QTEK's Adhesive Remover fluid
- Odour-free
- Available in a tub of 100 pre-saturated wipes
- 100-wipe refill pack also available (sold separately)
