

Reliance Relief Instant Ice Pack

Product Images

Description

The Reliance Medical Relief Instant Ice Packs are a disposable, easy to use treatment of sprains and abrasions.

- Simply twist pack to induce freeze sensation
- Ammonium nitrate free
- Suitable for first aid kits and sports kits
- Also useful for bruising, sports and muscle injuries
- The Plus Instant Ice Pack stays cold for a longer period of time, due to larger size and increased ingredients
- We stock a wide range of Reliance Medical first aid products and offer free delivery on all orders over €50
