

Reliance Relipad Non-Adherent Dressing Pads

Product Images

Description

The Reliance Medical Relipad Non-Adherent Dressing Pads are designed to be applied to a wound from either side, therefore preventing incorrect application.

- Sterile dressing
- High absorbency
- Useful for minor abrasions, lacerations and oozing wounds
- Soft, comfortable and conformable
- Secure with tape or a conforming bandage

We stock a wide range of Reliance Medical first aid products and offer free delivery on all orders over €50
