

Sioen Rotterdam Hi-Vis Rain Trousers

Product Images

Description

Sioen's Rotterdam Hi-Vis Rain Trousers have been designed to provide comfortable rain protection to the wearer. Manufactured with a simple design, the elasticated waist and narrow legs with press studs, together with Sioen's Flexothane® fabric, mean the Rotterdam Hi-Vis Rain Trousers provide an impenetrable barrier against the elements. The bright yellow material also offers hi-visibility and added safety in dark conditions
