

VisionAlert Blaze 2 Rotating Mini-Bar Magnetic

Product Images

Description

The Blaze II minibar is a compact Rotating Minibar perfect for easy fitting to smaller vehicles. It offers a quick mount Magnetic option where drilling is unsuitable. The Blaze II minibar incorporates the flexibility and cost-effectiveness of a beacon with the visibility and performance of a light bar.

- Twin rotators.
- Low profile aerodynamic styling.
- 15 inches long.
- Magnetic mount.
- Available in both 12V & 24V options.
- Standard: ECE R65.
