

P-Wave Slant6 Urinal Screens

Product Images

Description

The P-Wave Slant6 Urinal Screens contains a special enzyme that eliminates odours, and offers a pleasant fragrance for 30 days. The Slant6 Urinal Screens are easily installed and are translucent, allowing a full view of the urinal drain

- Fragrance lasts up to 5 times longer than other screens
- Designed to prevent debris entering drains
- Safe to use in waterless urinals
- Protrusions prevent splash back
- 'Clock system with date tabs' show when the screen was installed and help to manage when it should be changed
- Pack of 10
- Mango fragrance
