

Superior Cleanroom Tape - Roll

Product Images

Description

Superior Cleanroom Tape is ideal for general use as an alternative to vinyl tapes as well as cleanroom construction. The tape has an adhesive strength identical to vinyl tapes and fast adhesive bonding properties, making it suitable for all surfaces. Serrated edges allow for new strips to be torn off easily by hand

- Length: 33M
- Thickness: 48MM
- Polyethylene plastic backing
- White
- Serrated edges for easy tear
