

GBP Heavy Duty Leg Unit with Cupboard

Product Images

Description

The GBP Fixed Workbench consists of a heavy leg rest (depth 745mm) and a 6-drawer cupboard combination, which serves as a supporting unit

- Drawer cupboard is height adjustable by means of extended sides provided
- Can be provided with a rear frame for extra rigidity if required
- Other cupboard combinations also available
- Worktops supplied separately
- GBP Drawer units should ONLY be used with Heavy Duty Workbench and Heavy Duty Worktops. They should not be used with Regular Duty Worktops
