Dependable Fire Alarm Signs

Product Images

Description

- To convey information about fire fighting equipment, fire alarms, actions to be taken in the event of fire and fire assembly points
- All signs available as standard in 300mm x 200mm but can be made any size to suit your needs
- They come in a wide variety of materials including plastic & aluminium
- Plastic and Composite Aluminium signs are laminated with a long life film to prevent fading caused by weather conditions and sunlight. This is recommended if sign is to be used outdoors, long-term

superior standards in cleanroom control
