

Nilfisk Manual Walk Behind Sweeper

Product Images

Description

The Nilfisk Manual Walk Behind Sweeper is an excellent floor cleaning solution, with the ability to pick up dust and dirt up to 6 times faster than a manual broom. With a compact and lightweight design, the manual sweeper can be stored in an upright position or hung on the wall for effective storage

- Built-in filter for improved dust control and user comfort
- Soft grip handle that can be adjusted to three different positions
- side brooms can be individually adjusted
- Large non-marking wheels for easy pushing and steering
- Compact design for effective use in small areas
- Suitable for indoor and outdoor use
- Simple mechanical construction with gear belt and drive (no motor or battery)
- 38litre capacity
