

Go! Paint Tool Tray

Product Images

Description

Go! Paint Tool Tray is ergonomically designed to give easy access to tools, with less bending, lifting and reaching. Go! Paint Tool Tray is well suited for working from heights

- Tray for storing paint tins, kettles and tools
- Fits onto ladders, scaffolding, platforms
- Everything within reach for reduced lifting and bending
- Handle can be turned backwards to stabilise tray against a slanted surface, such as a ladder
- Hands-free storage idea for working at heights
