

Elite Lockers Hazardous Flammable Cabinets

Product Images

Description

The Elite Lockers Hazardous Flammable Cabinets have a robust construction, and are perfect for the secure storage of chemicals, paints, solvents and other dangerous substances. A welded leak proof sump safely contains spillages within the Hazardous Flammable Cabinet, with reinforced, 3-point locking doors to keep contents secure

- Constructed from high quality stainless steel for excellent structural stability
- Can be used for secure storage of chemicals, paints, solvents and dangerous substances as classified by CHIP and new CLP regulation
- Chrome door handle
- Powder coated paint finish in hi-vis yellow
- Reinforced doors
- 3-point locking (apart from PN ELI361818CSC)
- Various sizes and shelf configuration options available
- Conforms to Health and Safety Executive Guide HSG51 and DSEAR 2002
