

Edding 380 Permanent Flipchart Markers

Product Images

Description

The Edding 380 Permanent Flipchart Markers are a high quality, dependable marker, specifically designed for flipchart paper, presentation cards and other paper sheets. The 380 Permanent Flipchart Markers allow for no ink-bleed between pages, and are engineered so that the cap can be left off the marker for several weeks without it drying out

- Round nib, 1.5 - 3mm
- No ink-bleed
- Cap-off technology allows the cap to be left off for several weeks, without drying out
- Neutral smell
- Cap can be stored at end of barrel
- ISO 554
