

Clauss “No-Nik” Fibre Optic 3 Piece Kit

Product Images

Description

The Clauss “No-Nik” Precision Wire Strippers are designed to cleanly remove fibre optic coating with accuracy and ease. Made from razor-sharp steel, the cutting blades score the insulation without cutting completely through it, making the Clauss “No-Nik” Precision Wire Strippers a powerful and exact tool

- Precision strippers used to remove fibre optic primary coating.
- Also available in a 3 piece kit
- Comes with vinyl protective case
