

Grisport Origin Gritex Shoes

Product Images

Description

The Grisport Origin Gritex Shoe is a durable and comfortable non-safety shoe. With a water resistant Gritex membrane, the Origin Shoes are ideal for uniform or casual wear

- Outer shoe made from brown Nubuck leather
- Sole is made from Vibram travel rubber and PU allowing for increased grip and comfort
- Leather lining and Gritex membrane enables the shoe to be water resistant
- Airmesh lining on collar and inner gusset ensures breathability
- Unisex shoe
- Suitable for walking and outdoor activity due to vibram sole and Gritex membrane
