

Honeywell Dexgrip Light Knitted Gloves

Product Images

Description

The Honeywell Dexgrip Light Knitted Gloves offer a high degree of comfort and good dexterity. The Dexgrip Light Knitted Glove has an ultra-fine crinkled latex coating which offers outstanding dexterity while providing mechanical resistance. The tight knit provides excellent support, limits the penetration of dirt and ensures a good touch

- Knit: Gauge 13
- Knitted glove cotton/polyamide blue
- Palm and fingertips coated in blue colour crinkled latex for handling wet or dry parts
- Cotton thread absorbs perspiration which provides greater comfort
- The grip offers high performance even in a damp environment
- Conforms with EN 388 Standard: 2003, 2121
- CE Certified
