

BioClean Nerva Nitrile Cleanroom Gloves - Case 1000

Product Images

Description

The BioClean Nerva Nitrile Cleanroom Gloves have a length of 400mm, offering excellent protection from cross-contamination. With a latex free design, the Nerva Nitrile Cleanroom Gloves have a textured surface which enhances grip, while a beaded cuff ensures sturdier protection with less liquid roll-off risks

- PPE Category III certified to offer protection against a range of chemicals
- 400mm/16" elbow length design offers additional protection against cross contamination
- Beaded cuff for fewer liquid roll-off risks
- Textured surface for optimum grip
- Non-sterile
- Latex-free
- Powder-free
- Ambidextrous shape
- Suitable for use in a variety of settings such as controlled and critical environments, production and manufacturing, and laboratories/research and development
- Reduced contamination risks due to non-particulating EasyTear packaging
- EN 420:2003 + A1:2009, EN 421:2010, EN 455 Part 2, EN ISO 374-1:2016, EN ISO 374-5:2016, Food Contact, Category III
